

Supporting ICWs Activities

West Midlands
Speech & Language
Therapy

Use these **key components** to create tasks:

Object

Possession

Adjective

Person

Preposition

Place

Action

Absence / Disappearance

For 1 ICW Tasks → 1 component (bold items must have at least 1 choice)

Object → Focus on getting the child to find different items from a choice of objects, think about clothes, everyday items, food, animals, furniture etc.

E.g. find the **banana**, find the **top**, find the **chair** etc.

Adjective → Focus on getting the child to find different items from a choice of one adjective (size, quantity, colour or concepts (wet/dry, dirty/clean, old/new, spotty/stripy etc.)

E.g. find the **big** one, which one is **spotty**, find the **wet** one etc.

Person → Focus on developing people vocabulary, family (sister, brother, uncle, auntie, man, lady, girl, boy), jobs (police officer, fire fighter, nurse, doctor, vet), characters (pirate, mermaid, fairy, princess, king)

E.g. find the **boy**, which one is **brother**, find the **nurse** etc.

Preposition → Focus on getting the child to follow instructions including 1 preposition (in, on, under then move to in front, behind, next to and possibly in between, above, below, beside).

E.g. put it **on**, which one is **behind**, put it **under** etc.

Place → Focus on getting the child to find locations (beach, park, garden, dining room, bedroom, cinema etc.)

E.g. where is the **park**, which one is the **bathroom**, find the **beach** etc.

Action → Focus on getting the child to find or copy different actions. (Jump, sleep, sit, slide, run, wave, dance etc.)

E.g. who is **jumping**, can you **sleep**, find **skipping** etc.

Supporting ICWs Activities

For 2 ICW Tasks → 2 components (bold items must have at least 1 choice)

Adjective + Object → you will need big teddy big baby, little teddy and little baby (for example) ask the child to find different objects.

E.g. find the **big teddy**, find the **little baby**, where is **big teddy?** Etc.

Possession + Object → you will need a choice of who? (Different children or family member) and a choice of different clothes items. Give instructions so the child has to find the items and return to the right person.

E.g. find the **Isaac's sock**, find the **Abdullah's jumper**, where is **Layha's coat?** etc.

Absence + Object → you will need matching objects but one with obvious missing parts e.g. a car with no wheels vs a car with all wheels or a teddy with no eyes vs a teddy with both eyes.

E.g. which one has **no wheels?**, which one has **no eyes?** etc.

Object + Person → you will need a choice of who? (Teddy and a dolly) and a range of objects (food, clothes, toys. Ask the child to give food to either dolly or teddy.

E.g. Give **dolly** the **banana**, Give **teddy** the **grapes**, Give **dolly** the **pizza** etc.

Object + Place → you will need a range of objects (food, clothes, toys) and a range of containers (box, bucket, bag, pan). Ask the child to put items in different containers.

E.g. put the **ball** in the **bag**, put the **sock** in the **box**, put the **spoon** in the **bowl** etc.

Action on object → you will need a range of objects (ball, bean bag, bottle). Ask the child to throw, spin, bounce, or kick the items.

E.g. **Throw** the **bag**, **kick** the **ball**, **spin** the **beanbag** etc.

Supporting ICWs Activities

For 3 ICW Tasks → 3 components (bold items must have at least 1 choice)

Person + Action + Place → you will need a range of who (baby, teddy, dog etc.) and a place (chair, bed, table etc.). Ask the child to:

E.g. Make **Teddy Jump** on the **chair**, Make **baby sleep** on the **table** etc.

Action + Person + Possession → you will need a range of who? (Baby, teddy, dog etc.) and objects to complete an action (brush, towel, sponge). Ask the child to:

E.g. **wash Teddy's foot**, **brush Baby's tummy**, **dry Dog's ear** etc.

Object + Preposition + Place → you will need a range of objects (food, clothes, toys) and a range of place (box, chair, bag, table). Ask the child to:

E.g. put the **car in the box**, put the **pen under the chair**, put the **banana on the chair** etc.

Action + Adjective + Place → you will need one who? (Dolly), different coloured places (red cup + blue cup, red plate + blue plate etc.). Ask the child to:

E.g. Make dolly **stand** on the **red plate**, Make dolly **sit** in the **blue cup** etc.

Adjective + Object + Person → you will need different sized objects (big ball, small ball, big key, little key, big cup and little cup) and a choice of who? (Monkey, cat, dog). Ask the child to:

E.g. Give the **little cup** to **Monkey**, Give the **big ball** to **Cat**, Give the **little key** to **Monkey** etc.

Preposition + Possessive + Place → you will need a choice of places that belong to different characters. (Girl's bag and box vs boy's bag and box). Ask the child to:

E.g. put the ball **in** the **girl's bag**, put the ball **on** the **boy's bag**, put the ball **under** the **girl's box** etc.

Supporting ICWs Activities

For 4 ICW Tasks → 4 components (bold items must have at least 1 choice)

Adjective + Person + Action + Object → you will need big and small characters (big dolly, big teddy, little dolly, little teddy) and a range of objects (beanbag, ball, bottle). Ask the child to:

E.g. Make **big dolly throw** the **ball**, Make **little dolly kick** the **beanbag** etc.

Person + Action + Adjective + Place → you will need a range of who (baby, teddy, dog etc.) and a places with different sizes (big/small chair, big/small bed, big/small table etc.). Ask the child to:

E.g. Make **Teddy Jump** on the **big chair**, Make **baby sleep** on the **small table** etc.

Adjective + Adjective + Object + Person → you will need different coloured objects with different sizes (big red ball, big blue ball, little red ball, little blue ball and big red book, big blue book, little red book little blue book and a choice of who? (Monkey, cat, dog). Ask the child to:

E.g. Give the **little red book** to **Monkey**, Give the **big blue ball** to **Cat** etc.

Person + Action + Preposition + Place → you will need a range of who (baby, teddy, dog etc.) and a place (chair, bed, table etc.). Ask the child to:

E.g. Make **Teddy Jump on** the **chair**, Make **baby sleep under** the **table** etc.

Action + Adjective + Person + Possession → you will need a range of who? In different colours (blue teddy, red teddy, blue robot and red robot etc.) and objects to complete an action (brush, towel, sponge). Ask the child to:

E.g. **Wash blue Teddy's foot**, **Brush red Robot's tummy**, **Dry red Teddy's ear** etc.

Adjective + Object + Adjective + Person → you will need a range of big and small who? (Big/small baby, big/small teddy, big/small dog etc.) and different coloured items. Ask the child to:

E.g. Give the **green car** to **big baby**, Give the **yellow book** to **small dog** etc.
